## **LATIMER STEPS DOWN AS FIRST VEEP; VOWS TO KEEP FINDING SPONSORS**

Dick Latimer joined the Golden Seniors to play softball and he almost immediately offered his talents to help operate the club, serving as first vice president since 2010. Failing health kept him from playing ball but it didn't stop him from volunteering his considerable sponsor-recruiting skills.

After being elected to the post for the fourth time last August, Latimer, who turned 70 on Sept. 29, was told by doctors that he could no longer consider playing ball. As a result, he said he decided to step down as first vice president, but he vowed to help his successor and continue lining up sponsors.

Attending the Nov. 12 board meeting, Dick said he is giving up the board position "mainly because the doctor told me to, and the fact that I am not a player." He added, "I really love the game. I will help out. I do not want to leave. I'll help get more sponsors."

Club President Tom Sansone may make an interim appointment to the position and there can be an election at the next general membership meeting.

In an email broadcast to the membership, Sansone has praised Latimer's "marvelous" service to the club. He noted that despite having been stricken by strokes, Dick has already lined up 40 team sponsors for 2014 and will help his successor so there is a smooth transition. The 1st VP duties include stepping up in the absence of the president, signing up sponsors and collecting fees, and preparing sponsor recognition plaques (first-year sponsorships, including new uniform shirts, are \$300. Subsequent years are \$250. Sponsorships account for about \$10,000, roughly 20 percent of the club's annual budget).

The board approved Latimer's suggestion to have shirts made for sponsors and called for more publicity in the club newsletter and website, particularly to introduce new sponsors and acknowledge the long-time supporters of the club. A sponsor luncheon has been discussed.

Anyone interested in serving as first vice president should contact Sansone at [trsansone@comcast.com](mailto:trsansone@comcast.com) or by phone (916 686-1654). (See Page 2)

## **NEEDED: NEW 1ST VEEP (FROM PAGE 1)**

Other news from the October and November meetings of the Board of Directors:

**Applications for 2014.** Player Agent Myron Dahl reported at the Nov. 12 board meeting that only four new members had signed up for 2014 (including Ray Merrill's son). Email blasts were quickly sent out by Bill Hill and L-5 Commissioner Allen Riker urging players from last year to sign up and recruit their friends. Dahl was also making phone calls. As usual, the Wednesday night (L-4) and Thursday night (L-5) leagues have been slowest in signups. Each had 8 as of Nov. 12. A full six-team league needs 72.

The new L-7 for players 70+ had 22 applicants, including nine who also are signed up for L-1. Henry Low, who is organizing this new league, plans to have it play on Mondays at Howe Park following L-1 games. As usual, L-1 on Monday mornings led all leagues with 36 signups.

The Tuesday morning leagues at the Complex had 29 signups for 9 a.m. games and 25 for the 10:30 games.

The Tuesday night league had 13 signups.

Night leagues minimum age is 50 for men, 45 for women. The Tuesday day leagues are for men 60 and older, with women allowed who are 55. The Monday day leagues are for men 70 and older and for women who are at least 65.

To be assured of being in the league or leagues of their choice, applications for renewal as well as new members need to be received by Dec. 1. Eligibility lists are prepared for February's league drafts.

**2014 Meeting Schedule.** General meetings, pending availability of the VFW Hall on Stockton Boulevard, are planned for Monday nights: Jan. 13, Feb. 10, March 10, May 12, July 8, Aug. 12 and on the Saturday when the club holds the annual picnic. The board discussed having the picnic on Oct. 5, which is later than usual.

**Picnic Report.** Sansone said the Sept. 7 picnic at Howe Park "was handled well and we were all amazed we fed as many as 300 people. We contracted for 250 but somehow the food lasted until everyone was fed ... so did the drinks. We lucked out again. The food was great and the caterer did a fine job. Kudos to Bill Hill and his crew. We budgeted \$4,000 and we came in at \$4,250. Not bad."

**2014 Picnic Plans.** The board "resolved" to consider moving the picnic back to the Complex next year because the Complex, with four fields, can accommodate more league championship or all-star games. Under discussion is moving the picnic to the first Saturday in October. "This way," Sansone said, "we will play more regular-season games but we will have bye weeks during the September Medford and Las Vegas tournaments, which will occur just prior to the picnic. Going back to the Complex means we must use the vendor at the Complex for the food and drinks." Howe Park has two fields, which would not accommodate championship games for all club leagues. Members are to be surveyed on these contemplated changes.

**Membership Survey.** The board is preparing a membership survey to gauge support for championship playoffs at the Complex in conjunction with the annual picnic. The board also wants to commence games in mid-March and wind (SEE PAGE 3)

## **MORE CLUB NEWS, FROM PAGE 2**

up the regular season much later than 2013, when the picnic/playoffs for the day leagues were held on Sept. 7 and the night leagues held their final playoff games earlier that week on their regular game nights. The successful Tuesday night L3 all-star game at the picnic was deemed a success and perhaps a model for other leagues on picnic day. The board plans to finalize a survey at the December board meeting and distribute it by email.

**Life Members.** The board has approved 13 members for life member status as they are turning 80 with 10 years continuous membership or 75 with at least 15 years. They will be formally recognized at the Jan. 13 general meeting. They are Guy Anderson, Larry Campbell, Bill Enos, Henry Fontes, Donald Maciel, Darrel McRorie, Mervin Mill, Wil Nishina, Don Pooler, George Rupp, Joe Saiz, Robert South and Lawrence Utberg. Their exploits will be described by emcee Jim Lortz. Cake will be served.

**Advertising.** The club budgeted \$1,500 for radio ads to recruit more players. Sansone said he has contracted for ads, modified this year to include the age change for women members, to run the first two weeks of December on KHITS 101.5 FM. The ads will air during the morning "drive time" 6 a.m. to 9 a.m. Sansone said there will be 150 30-second ads spread out during the two weeks. Last year's KHITS advertising campaign was considered an effective recruitment tool, along with efforts by individual members to sign up their friends and set up information tables at shopping centers.

**Committees, Rules and Bylaws.** The board has not decided on which committees, if any, to activate for the new season ahead. A rules committee has been active in recent years and there will be an effort to update the rules as posted on the club web site with changes made in 2013, rather than print new books for 2014. Sansone also wants to post club By-Laws on the web site.

The board also has discussed formation of an **Information Technology/Communications Committee** of members to help webmaster Jamyn Jodice operate and update the club's web site ([www.gsscs.org](http://www.gsscs.org)). Anyone interested in helping in this area should contact Sansone or Ron Roach (422-2500) or [coachrwr@comcast.net](mailto:coachrwr@comcast.net). The club needs people with experience in web site design and maintenance.

**League Commissioners.** Club Commissioner Curtis Holcomb is hunting for a L7 commissioner to be in charge of the new Monday morning league for players 70 and over, with games following those of L1 at Howe Park. (See the update on L7 elsewhere in this newsletter.)

**Club Data Base.** Secretary Dave Tanner said he is preparing to tackle the task of maintaining the club's computerized player directory, with assistance from Henry Low, who, as assistant secretary, has maintained the data base for many years. #

## **JIM WAIT STEPS DOWN AS SECOND VICE PRESIDENT**

Jim Wait, citing conflicts with personal issues and commitments, has resigned as club second vice president. Wait said he stepped down from the post on the Board of Directors because he felt he would be unable, at this time, to devote the necessary attention and effort to perform duties of the position.

Club President Tom Sansone said he accepts the resignation with regret and appreciates that Wait, when asked last summer, was willing to be a candidate for the position. He was elected in August. Sansone may fill the post with an appointment that would be subject to a vote of the membership at the next general meeting. #

Anyone interested in the position, which is responsible for ordering and maintaining club uniform shirts, hats and balls, in addition to serving on the Board of Directors, should contact Sansone at 686-1654. #

## **SUNSHINE AND HEALTH**

Life Member **Harry Rathkamp** passed away Sept. 24 at the age of 91. Harry joined the Golden Seniors in 1986 and played until 1999, when he became a co-manager on Monday morning L1. At six-feet-four-inches, he could really smash the ball. During WWII he was a pilot flying B-29s. He and Naomi were married 69 years. #

## **SAFETY REPORT -- TRAINING SESSIONS TO BE HELD IN 2014**

***From J.C. Terry, Club Safety Coordinator***

We are planning Golden Seniors First Aid/CPR/AED classes in 2014 with the first one-day session in mid- to late-January. I need signups by Dec. 11 for the January and February courses. Class participant numbers must be submitted a week before the class. I will have the complete schedule of dates by the end of November.

We need to meet the minimum of four for a training session. The maximum is 10 participants. These courses are for first-time trainees and those who need to be recertified by the Red Cross.

The club pays the costs of this training.

I will keep the club president and members informed of any developments.

Contact me with any questions. My email address is [terry\\_173@sbcglobal.net](mailto:terry_173@sbcglobal.net) and my phone is (916) 457-3393.

Safety is my No. 1 goal in 2014. Think safety and have fun when the season starts. #

## **SHORT HOPS AND LONG BOUNCES**

### **CHRISTMAS LUNCH SET FOR DEC. 2**

George Hodsdon announces that the annual Christmas Holiday lunch for GSSCS members will be held Dec. 2, from 11:30 to 1:30 at the China Buffet, 5623 Sunrise Blvd., in Citrus Heights. Cost is \$12 per person. To reserve a spot or ask questions, call George at 481-9304. Didn't hear about the luncheon in time to go this year? Make a note that there is very likely going to be another gathering in December 2014.

### **SOFTBALL PRACTICES HELP SENIORS STAY IN SHAPE IN "OFF-SEASON"**

The 2013 GSSCS season is over but don't mothball your bats. There is opportunity to keep those bat-swinging, ball-throwing muscles in shape over the fall and winter months. Here's some news:

L1 Commissioner Henry Low reports a change in the times for Tuesday and Friday batting practices at Howe Park. Beginning Tuesday, Nov. 5, and Friday, Nov. 8, batting practices will be scheduled for 12:30 p.m. on Field #3 at Howe Park. Field #3 is the diamond adjacent to the parking area at the rear of the park off of Bell Avenue.

Meanwhile, practice games at Carmichael Park are held on Tuesdays and Thursdays at 9 a.m. during the fall-winter "off-season." Carmichael Park's Ernie Kidwell makes it happen and Ronny Smith preps the field. Contact: Greg Leurgans [gleurgan@yahoo.com](mailto:gleurgan@yahoo.com). Note: They even worked out last New Year's Day!!!

### **THE GLOVE MAN GIVES OLD, WORN FIELDING GLOVES NEW LIFE**

Howard Shaw is the "Glove Man" for new lacing, reconditioning, cleaning and service at reasonable pricing. Howard can also help break in a new glove. Give him a call at 421-6643. His cell is 996-9490. #

### **TPA DINNER-DANCE IS PLANNED FOR MARCH**

The annual Tournament Players Association (TPA) Dinner-Dance is tentatively scheduled for Saturday, March 1, at the Lakeview Village clubhouse in Citrus Heights, according to TPA President Bob Lowery. The event is free for TPA members. Guests (including Golden Seniors members), are \$15. Contact Lowery at 275-0953. #

## Update on New League Seven

### From Henry Low (Nov. 18, 2013)

There still seem to be some players questioning why not a 70+ league and a 75+ league instead of just adding a new 70+ League Seven (L7)? We first looked at the 70+ and 75+ league scenario, but decided that there wasn't a significant difference in going either way (the end result would be virtually the same); because there were so few (21) of the League One (L1) players in the 70-74 age group. This meant that the majority of the players in the new 70+ league would in fact come from the players older than 74 in order to fill out four or five teams. However, the significant difference would be that if a 70-74 age group player in the 70+ and 75+ league scenario didn't get drafted in the 70+ league, he/she would have no place to go except back to a younger age group league; because he/she would be too young to qualify for the 75+ league. This in fact would defeat a major purpose of the new league that we have defined as a transitional league to encourage more 70+ players to migrate into the 70+ leagues.

I'll attempt to summarize some of the points discussed in previous Dugout Chatter, email broadcasts and special mailings.

1. Based on surveying all players age 70+ in the club, there appears to be a lot of interest in the new L7.
2. The new, more competitive, L7 is a transitional league and will be limited by draft to 4 or 5 teams. L7 could be called a select league only because the number of teams will be limited so as to limit any negative effect on L1. The major things related to the transition from the younger leagues are no "hot" bats, 65-foot base paths and the 11th player on defense.
3. As indicated on the applications, L1 will play their games at 9:30 a.m. and L7 will play their games at 11:00 a.m.
4. The L7 draft will be held about a week before the L1 draft; because any players signed up for L7, but not drafted into L7 will automatically fall into the L1 draft unless they chose not to play in L1.
5. As players sign up for league L7, we will have to recruit managers and a league commissioner for that league. Bob Nielsen has agreed to sponsor a second team in L7 and Norm Blackwell has agreed to manage in both leagues. With fewer teams in L1, perhaps some current L1 managers may wish to move to L7.
6. The L7 commissioner and managers will have to determine what L7-specific rules may be required. For instance no "hot" bats and if they play the last game(s) they will be responsible for returning the first aid cart to the park office. Since L7 is a transitional league, it's not likely that they will want many of the current L1 specific rules.

As of Nov. 12, signups for the new season have begun to trickle in. So far L1 has 36 and the new L7 has 22, with nine of those players signed up for both leagues. Bob Nielsen (Nielsen Real Estate) has agreed to sponsor a second team in the new L7 and Norm Blackwell Sr. has agreed to manage the Nielsen teams in both leagues. Things are looking promising for the new league at this early date. However, there are many things to be done (selecting managers and officials, determining how many teams to be drafted, rules, etc.) once we determine that the new league is a go. #

## **EDWARDS AGAIN LEADS GSSCS BATTERS; JUST THREE HIT OVER .800: L5 HITTERS SLAM 41 HOMERS OVER FENCES**

Rich Edwards didn't quite match his club record batting average of 2012 but the former high school baseball coach continues to dominate the Golden Seniors, becoming only the second player to achieve .800 four times.

Batting statistics, especially power numbers, have soared in recent years since the club allowed hotter bats and upgraded balls at the Sacramento Softball Complex. Of course, our elder old-timers might recall some relatively amazing hitting exploits back in the years when the club played at Tahoe Park without fences.

In this so-called modern era, the balls are clearing the 300-foot fences with some frequency, particularly in the Wednesday and Thursday night leagues, which have more of the high-level "tournament" players still in their 50s.

Edwards' .882 average in 2012 in L6 still stands as the highest mark since the 2006 season, when we began keeping clubwide stats with games at the Complex. This year's .875 paced L2 and stands as the second-highest average. He and Monte Miller are the club's only four-time .800-plus hitters over the past seven years. (Miller moved to Alabama so isn't likely to vie for a record fifth .800+ season with GSSCS.)

While 14 players managed to hit .800 or better in 2012, only three did so in 2013. In L4, Jarvis Quenga repeated as the top hitter, following up his .839 average of 2012 with .821 this year. Don Jackson hit .804 in L4, his third season breaking the .800 barrier.

L3's top batsman was Emilio Lobato at .774 based on 62 at-bats. Steve Schuler's .780, based on 43 at-bats, was not enough to qualify. Lyman Rose paced L5 at .788 with 57 at-bats. Mike Swanson hit .795 but went to the plate just 42 times. (Note: These totals do not include league playoff games, which could have given Steve Schuler the L3 batting title at .820. He paced L3 in 2012 with .865.)

L6's top hitter was Jerry Nevis at .782.

According to stats maintained by scorekeepers Sandy Begg (L3 and L5) and Colette Barnes (L2, L4 and L6), more big boppers hang out in L5 on Thursday nights: In all, Sandy counted 41 over-the-fence homers in L5. Anthony Maze led the league with nine homers, eight of them over the fence. He matched Lyman Rose's number of over-the-fence blasts and beat him by one in the HR total. Other fence-busting L5 sluggers included Mike Viduya 6 and Jarvis Quenga 5.

Ms. Begg counted only 15 out-of-the-park blasts in L3, Tuesday night, four by Larry Elsberry and three each from Lobato and Viduya. Schuler had two. Hitting one each were Bruce Gilmore, Jim Taff and Rich Walker.

L4, Wednesday night, Ms. Barnes reported that 21 homers left the yard, led by Quenga, Marcus Kirkland and Terry Urban, all with four.

Seven homers total were of the fence-clearing variety in the Tuesday day leagues, compared to nine in 2012. In 2013, Tom French hit one out in each of the leagues during his abbreviated season. Others were hit by Jon Ellison, Jay Aguas, Glen Cole, Jerry McKaughan and Tim Kesner. (See Page 10)

## 2013 BATTING LEADERS LED BY RICH EDWARDS (FROM PAGE 9)

Multi-league players, as well as those who played significant number of games as substitutes in their leagues, produced some impressive stats, to wit:

Lobato's combined L3, L4 and L5 numbers might clinch a spot in the Golden Seniors Hall of Fame, if there were such a place. Combining L3 and L5, he played 41 games, scoring 77 times with 42 doubles, 6 triples, 9 HR and 85 RBI. In L4, Lobato hit .784, scored 45 times, drove in 43, had 17 doubles, 6 triples and 2 homers over the fence. He totaled 11 homers over three leagues.

Playing in two leagues (3 and 5) Viduya in 33 games had nine homers, six triples, 20 doubles and 85 RBI while hitting .741. He scored 60 times.

Combining efforts in L4 and L5, Quenga had nine homers leave the yard.

Batting leaders by league for the 2013 regular season (club record holders are in bold face) L1 on Mondays does not maintain statistics:
