# Golden Seniors Softball Club of Sacramento

October 2020

Dear Prospective Club Member,

The Golden Seniors Softball Club of Sacramento (GSSCS) is a non-profit organization set up and run by people, men over the age of 48 and women over the age of 40, who enjoy playing softball. Qualifying age is determined as the age you will be on or before December 31 of the playing year. By requesting an application to join the Club you have indicated you share a common interest with over 500 other members who live in the greater Sacramento area.

GSSCS follows the Senior Softball USA (SSUSA) Rules unless those rules are superseded by GSSCS Playing Rules. GSSCS has created some specific Playing Rules, in the interest of safety, to minimize the possibility of injury to Club members. Those rules are available on the website. GSSCS also has a Code of Ethics printed on page 2 of the application which, by signing the Application, all members have agreed to follow.

The Golden Seniors Softball Club offers nine different leagues in which a member may be eligible to play. These leagues have eligibility requirements and play on different days of the week and at two different ball parks. Some of the rules may vary slightly from one league to another. On the application, you will be asked to select one or more of these leagues. Each league will play approximately 20 games. Below is a brief description of the leagues and their age, location and bat requirements.

**\*League #1:** Monday Day League... for men over the age of 70 and women over the age of 60. The games are played on Monday mornings at Howe Park and are scheduled at 9:30 am.

**League #2:** Tuesday Day League... for men over the age of 60 and women over the age of 55. The games are played on Tuesday mornings at the Sacramento Softball Complex and are scheduled at 9:00 am.

**League #3:** Tuesday Night League... for men over the age of 50 and women over the age of 40. The games are played at the Sacramento Softball Complex and are scheduled for 6:30, 7:45 and 9:00 pm.

**League #4:** Wednesday Night League... for men over the age of 55 and women over the age of 40. The games are played at the Sacramento Softball Complex and are scheduled for 6:30, 7:45 and 9:00 pm.

**League #5:** Thursday Night League... for men over the age of 48 and women over the age of 40. The games are played at the Sacramento Softball Complex and are scheduled for 6:30, 7:45 and 9:00 pm.

**League #6:** Tuesday Day League...for men over the age of 60 and women over the age of 55. The games are played at the Sacramento Softball Complex and are scheduled at 10:30 am.

**League #7:** Monday Day League...for men over the age of 70 and women over the age of 60. The games are played on Monday mornings at Howe Park and are scheduled at 11:00 am.

**\*League #8:** Tuesday Day League...for men over the age of 75 and women over the age of 60. The games are played on Tuesday mornings at Howe Park and are scheduled at 9:30.

**\*League #9:** Tuesday Day League...for men over the age of 75 and women over the age of 60. The games are played on Tuesday mornings at Howe Park and are scheduled at 11:00.

NOTE: Leagues marked with an “ \* ” restrict bats. All other leagues allow SSUSA approved 1.21 BPF bats.

Howe Park is located at the corner of Howe Avenue and Cottage Way. The Sacramento Softball Complex is located on Longview Drive off Watt Avenue and I-80.

Joining the Club requires payment of \$20 Club Dues. You may then select one or more leagues to play in provided you meet the league's age requirement. League fees vary based upon the cost to operate that league. When you submit the application for membership you must include the Club Dues and League Fees. Please contact the Player Agent should you need to make payment arrangements.

**All participants must read and accept the Code of Ethics and the Release and Waiver section of the application.** The Club is serious about this. You take responsibility for your own health, safety and behavior. Sign the application under the Release and Waiver section. Should you fail to sign the application, it will be returned to you for your signature and will delay your membership, so please, don't forget.

Be sure to complete page 3 of the application regarding the amount and type of your previous softball experience. The Club passes this information to the team managers who, in turn, use this information to make selections during the draft formation of their teams each season. This information helps the Club establish some equity among the teams so the skill levels of each team are evenly matched. Before league drafts take place, all new players may be invited to attend a "evaluation" session where the league managers will be able to assess your level of play. Once you are assigned to a team, the team manager will contact you to ask a few questions about your interests and abilities and you will learn more about the League Playing Rules. The manager will inform you about some practice games which are usually scheduled in the month of March. Be sure to write down the name, phone number and email of the team manager. You may need to contact him before the season begins.

When completing page 3 please tell us of any safety certifications you may have as well as us how you found out about the Club so we can better focus our recruitment efforts.

The Club sponsors practice sessions/games during the off season. Every Tuesday and Thursday morning at 9a.m., several Club members gather at Carmichael Park, get in some batting practice, split into teams and then play a practice game. You are encouraged to attend some of these practice sessions as it will prepare you for some of the physical exercise required during the season. It also provides you with the opportunity to get to know the league rules and some of the other Club members.

Once your application has been processed, you will receive an Emergency/Medical Information card, a plastic envelope and a luggage loop in the mail. You are asked to complete the information on the card and attach this information to your equipment bag. This information will assist the Club in securing emergency medical care should you be injured on the field. If it becomes necessary for emergency medical personnel to transport you to a hospital, they can remove the bag tag and take it with you to be sure the information is shared with all personnel providing treatment.

Request for Refund may be requested by submitting written request to Club's Player Agent, Dave Tanner no later than May 15<sup>th</sup> or 4 weeks after joining the Club, whichever is later. If, for some reason, you do not play any games in the League you paid for, your entire fee may be refunded. If you played a portion of the season but you wish to withdraw from the league you may receive a partial refund. Any refund requests made after May 15<sup>th</sup> or 4 weeks after joining the club will be denied.

Please take time to visit the Club's web site: [www.sacramentoseniorsoftball.org](http://www.sacramentoseniorsoftball.org). The web site contains current information, club's information phone number, applications and newsletters which are full of information about the Club. You can download and print the Club's membership applications and pass them on to your friends.

We welcome you to the Club and look forward to meeting you and enjoying this time honored game of softball. Should you have any questions, please do not hesitate to call any of the Club's officers. You can find their contact information on the web site and in each newsletter.
